## DESTINATION OF IMMIGRANTS IN THE UNITED STATES.

The following table has been prepared from information furnished by the Commissioner of the Bureau of Immigration, derived from answers of immigrants to inquiries when they land in this country. It is merely an indication of the general destination of immigrants, as a large portion of those credited to New York, Massachusetts, and Pennsylvania, not having decided where to locate in the country, gave as their destination the port where they landed, viz, New York, Boston, Philadelphia, etc.:
